Meerendal Boutique Hotel

This gracious Cape Dutch homestead originally built as a family home has been converted into a Boutique Hotel, keeping all the grandeur and elegance combined with timeless style and ultimate luxury.

Situated on Meerendal Wine Estate, the Hotel is located a mere 20 minutes from Cape Town CBD and 30 minutes from Cape Town International Airport. With spectacular views over the vineyards and the Boland Mountains, the hotel is truly a countryside haven.

The Tasting room is open Tuesdays to Sundays, with the restaurants and Farmstall catering for guests needs. The chapel on the Wine Estate makes our accommodation offered perfect for weddings or intimate functions whilst small conferences are also a popular option.

Active guests are entertained with cycling, hiking and running trails that the rolling hills and valleys on the Estate offer.

Guests are invited to celebrate perfect days with a glass of wine at the fireplace and make Meerendal Boutique Hotel a home away from home.
